

# I'll Make You Happy

[Rick Springfield](#)

(Vander/Young)

[Originally recorded by The Easybeats]I, I'll give, I'll give you, I'll give you love.

I'll give you loving all the time.

Give you kisses just like wine

Does his lips taste sweeter than mine?I'll make you happy (just like your mamma wants)

I'll make you happy (just like your daddy said)

I'll make you happy just like your mamma said to melf, if you, if you don't, if you don't think.

If you don't think i'm your man

Find somebody if you can

And get them to hold your hand, not me.I'll make you happy (just like your mamma wants)

I'll make you happy (just like your daddy said)

I'll make you happy just like your mamma said to meI, I'll give, I'll give you, I'll give you love.

I'll give you loving all the time.

Give you kisses just like wine

Does his lips taste sweeter than mine?I'll make you happy (just like your mamma wants)

I'll make you happy (just like your daddy said)

I'll make you happy just like your mamma said to me
