Sonic Youth

I'm just here for dictation
I don't wanna be a sensation
Bein' on Sixty Minutes
Was it worth your fifteen minutes? Don't touch my breast
I'm just workin' at my desk
Don't put me to the test
I'm just doing my best Shoppin' at Maxfields
Power for you to wield
Dreams of going to the Grammys
Till you poked me with your whammy You spinned the disc
Now you're moving your wrist
I'm just from Encino
Why are you so meano? I'm just here for dictation
And not your summer vacation
You really like to shmooze
Well now you're on the news I'm from Sherman Oaks
Just a wheel with spokes
But I ain't giving you head
In a sunset bungalow Hhh, hhh
Roshumba, Judith, Paulina
Cathy, Vendella, Naomi
Ashley, Angie, Stacey, Gail
Ice women
Ice women
Ice women
