

All Things Considered

Montgomery Gentry

There is this older guy
That comes around from time to time
We're sure that he fought in the war
The war in Vietnam Most of what he tells us
No one's verified
He swears that he was there
The day that Brendan Behan died He also claims he trained
A kid named Cassius Clay
He cost Goldwater the election
On election day If he was still with us today
Then he would introduce
Us to his closest friend
The one and only Lenny Bruce The truth is what he's been through
And what he's had to do
What he's seen and what he's done
All things considered
What he's telling us isn't hurting anyone We knew it's true, he's short a few
Check out the deck, it's light
Said he wrote the entire soundtrack
For 'A Hard Day's Night' On Peyton Place played second base
He says but he regrets
The stadium was Shea
The team the New York Mets The truth is what he's been through
And what he's had to do
What he's seen and what he's done
All things considered
What he's telling us isn't hurting anyone All things considered, he's not bitter
He's not mean, no, he's not done
All things considered
What he's telling us isn't hurting anyone There is this older guy
That comes around from time to time
We're sure that he fought in the war
The war in Vietnam Most of what he tells us
No one's verified
He swears he was there
The day that Brendan Behan died The truth is what he's been through
And what he's had to do
What he's seen, and what he's done
All things considered

What he's telling us isn't hurting anyone
All things considered, he's not bitter
He's not mean, no, he's not done
All things considered
What he's telling us isn't hurting anyone
Every now and then we hear our song
Every now and then we hear our song
And every now and then we hear our song
Every now and then we hear our song
