

Who's Who

Greg Ross

Am I lover?
Am I friend?
Think it over
Is it me or him?
Am I a fool
Or could I be wrong?
Do I have a reason
To keep hanging on?
Who's who?
What's what?
Will I be blue?
Will he not?
Please tell me
Girl, I need to know
What to do
Who's who?
Are you certain
Or are you confused?
Are you just being kind
By not telling me we're through?
Has he won your heart

Or do I have a chance?
Lay it on the line
Let me know just where I stand
Who's who?
What's what?
Will I be blue?
Will he not?
Please tell me
Girl, I need to know
What to do
Who's who?
What's what?
Will I be blue?
Will he not
Please tell me
Girl, I need to know
What to do

Who's who?
Who's who?
