Stereo

Blockheads

I like the way your voice sounds
but it aint real or is it me
who doesnt know whats rightcause theres a breath
that tries to tear down the lightits a fight against the darknessand the way you stay there motionless just hurts
how can i trust in you?voices that are screaming, screaming
is it real or am I dreaming?
all i know seems to be useless
and my lungs just burst so i can hardly breath
_____please wake me up
I wanna get out
its a nightmare of fake and the truth hides in haze
so wake me up
and get me out
I am stunned cant resist the pain crawls through my veins
_____soon i will start to break down
and i can feel the doubts in me are reaching deep but i
still stay, fight for some hope cause i cannot let it gothey keep pushing into silencecan't you see that every hint
and every word they spit just burns?
don't you have something to say?why cant they stop screaming, screaming?
now im sure i am not dreaming
got the key but I cant use it
cause Im scared of where it might take me
_____please wake me up
I wanna get out
its a nightmare of fake and the truth hides in haze
so wake me up
and get me out
I am stunned cant resist the pain crawls through my veins
_____I'm down on my knees and dont know what I should do
got nothing left to lose
and my breath starts to freeze cause my light's fading to
something that I foughtits cold inside of me
was I too blind to see
that you are not the one?
damn you are not the oneits cold inside of me
was I too blind to see
that you are not the one?
no you are not the one for me
_____please wake me up

I wanna get out
its a nightmare of fake and the truth hides in hazeso wake me up
and get me out
I'm stunned cant resist the pain crawls through my veinsplease wake me up...
