

That's The Way Love Goes

Merle Haggard

I've been throwing horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four-leafed clover Yet you ran with me
Chasing my rainbows
Honey, I love you, too And that's the way love goes
That's the way love goes, babe
That's the music God made
For all the world to sing It's never old, it grows
Losing makes me sorry
You say, "honey, now, don't worry"
Don't you know I love you too? And that's the way love goes That's the way love goes, babe
That's the music god made
For all the world to sing It's never old, it grows
Losing makes me sorry
You say, "honey, don't worry"
Don't you know I love you too? And that's the way love goes, oh
