

Life Like Thunder

Eiffel 65

I Wanna Live My Life Like Thunder
Don't Wanna Live My Life Like Numbers
Wondering Why Tonight
Breaking On Through To Find My LightI Wanna Live My Life Like Thunder
Don't Wanna Live My Life Like Numbers
Wondering Why And How
I'm Gonna Fly So High And Never Hit The GroundI Feel Like I'm Always Tight
My Brain Is In Chains
While Walking This LaneI Can Calculate My Future
I Need To Break Away
I Need To Find A Different DayI Wanna Live My Life Like Thunder
Don't Wanna Live My Life Like Numbers
Wondering Why Tonight
Breaking On Through To Find My LightI Wanna Live My Life Like Thunder
Don't Wanna Live My Life Like Numbers
Wondering Why And How
I'm Gonna Fly So High And Never Hit The GroundI Can't Stand To Live In A Box
No Wind On My Face
No Reason To RaceI Can't Stand The Social Routine
I Wanna Go Above
I Wanna Reach Above Those CloudsI Wanna Live My Life Like Thunder
Don't Wanna Live My Life Like Numbers
Wondering Why Tonight
Breaking On Through To Find My LightI Wanna Live My Life Like Thunder
Don't Wanna Live My Life Like Numbers
Wondering Why Tonight
Breaking On Through To Find My LightI Wanna Live My Life Like Thunder
Don't Wanna Live My Life Like Numbers
Wondering Why And How
I'm Gonna Fly So High And Never Hit The Ground
