Love You, Hate You

Brooke Hogan

Break up, make up, boy we goin' through this again
Is love this tough, tell me are you out, are you in
Just my luck, I've fallin' in love with someone but we don't agree
After all the arguing then you try to leave
But there's nowhere else you'd rather beSometimes I love you but I hate you, people can't escape you
I don't think it's safe to want this love
We go from bein' lovers, tryin' to hurt each other
Boy it's getting tougher, want this loveI love you but I hate you, people can't escape you
I don't think it's safe to want this love
We go from bein' lovers, tryin' to hurt each other
Boy it's getting tougher, on this loveI love you, I love youIt's two who knew, who is it who's calling this late
Phone rings, I'm sleeping guess what he had to say couldn't wait
Bell rings and all of a sudden, he shows up with another two
Kickin' it with someone else, bein' kinda rudeThen he finds out there's no other dude and he says
(I love you, I love you)
That's all that you had to say
(I love you, I love you)
To make everything okaySometimes I love you but I hate you, people can't escape you
I don't think it's safe to want this love
We go from bein' lovers, tryin' to hurt each other
Boy it's getting tougher, want this loveI love you but I hate you, people can't escape you
I don't think it's safe to want this love
We go from bein' lovers, tryin' to hurt each other
Boy it's getting tougher, on this loveBaby uh, am I losin' my mind 'cause for the first time
I'm in love and it's not the picture I saw
And nobody understands how I date my own man
[Incomprehensible] want to say and we risk it allHe must be a special one 'cause we thought this wasn't done
No one ever could have gotten to me this way
It's a special kinda love 'cause we haven't given up
Though I feel this way from Monday to Tuesday(I love you, I love you)
And that's all you had to say
(I love you, I love you)
To make everything okaySometimes I love you but I hate you, people can't escape you
I don't think it's safe to want this love
We go from bein' lovers, tryin' to hurt each other
Boy it's getting tougher, want this loveI love you but I hate you, people can't escape you
I don't think it's safe to want this love
We go from bein' lovers, tryin' to hurt each other
Boy it's getting tougher, on this loveI love you, I love you

I love you, I love you
Baby, baby, baby
Baby, baby, baby
