

I'll Make It Clear

Teenage Fanclub

They think they know us but they don't know us
In love there's nothing
That they can show us anymore
It's never been like this before I'll make it clear
I love you dear Just something simple and unaffected
We're getting closer
Than we expected to be
It's me for you and you for me I'll make it clear
I love you dear Dear
Dear Your life was darker
And I think you lost your way
Stumbled into your life
To brush the past away I'll make it clear
I love you dear Dear
Dear
Dear
Dear
