Spawn of Azathoth

Grotesque

Summoned through inverted signs of magick
I am the symbol of supreme evil
I am raised in the plague of sin
And the fluids of hell runs through meI am divine
Demon from hell
My time finally
To prevailI am released through the incantations
And the harmonies within the song of spells
I am the spawn of azathoth
The embodiment of absolute evil
I am hell itself within you
And my wrath will swallow you wholeI am the spawn of the seed
Planted within your soul
I am the voice inside you
Telling you what to doWoman, meet thy destiny
And give birth to me, your son
The voice within your sinful mind
Let me tear your soul to pieces
I make you writhe in torment
Speaking my words with your tongueAs my part of the deal is kept
I claim your soul as mine
