

2 of a kind

Spelunks

Different kind of people
From all the world around
Your my kind of people
Of love is what we found
Is everybody hearing me
This is how it's got to be
This is how we make the mark in history
I think it's time to realize
We're looking for the same in life
We want to, we need to be free
You can say what you want
Do what you want
Be what you want to be
But look again
We're two of a kind
You can dance how you want
Say what you want
Love who you want to love
But look again
We're two of a kind
Sexy young free people
Dance the cares away
The future is tomorrow
So lets party for today
Is everybody hearing me
This is how it's got to be
We want to, we need to be free
You can say what you want
Do what you want
Be what you want to be
But look again
We're two of a kind
You can dance how you want
Say what you want
Love who you want to love
But look again
We're two of a kind
You can say what you want
Do what you want

Be what you want to be

But look again

We're two of a kind

You can dance how you want

Say what you want

Love who you want to love

But look again

We're two of a kind

You know we're all in this together

To make this world a little better

We must remember where we came from

Or we hadn't fall the light

Or fall the storm

You can say what you want

Do what you want

Be what you want to be

But look again

We're two of a kind

You can dance how you want

Say what you want

Love who you want to love

But look again

We're two of a kind

You can say what you want

Do what you want

Be what you want to be

But look again

We're two of a kind

You can dance how you want

Say what you want

Love who you want to love

But look again

We're two of a kind

You can say what you want

Do what you want

Be what you want to be

But look again

We're two of a kind

You can dance how you want

Say what you want

Love who you want to love

But look again

We're two of a kind
