

Another Point of View

Karl Valentine

You say you know me
You say you see inside my heart
And you think it's pretty hard
Well, you don't listen
You haven't heard a word I've said
Now the subject is dead, oh yeah

And I don't know if it's me
Or you, or just another point of view

Now there's a difference
We never can agree
At least it's plain for me to see
Now these feelings
That I once professed as love
They're all tearing at my heart
Yes it's true

And I don't know if it's me
Or you, or just another point of view

Now I'm the bad guy
Dressed in shades of black
You think I stabbed you in the back
But there's now victim
Because I never meant you harm
And I never broke your heart
Yes it's true

And I don't know if it's me
Or you, or just another point of view
