Crazy Boy

Mr. Mister

I slip through the alley
Underneath the stair
There's a door I knock on once
Hoping that you'll be there
Down on the corner
Are all my friends
They think that I'm just a big fool
They don't understandLeave the light on
I'll be over
You'll be my angel
I'll be your crazy boy, oh
You've got my number
But you never call
What can I do to make you
Tear down the wall?
I'll leave you flowers
Outside your door
Just one more thing to remind you
I love you soLeave the light on
I'll be over
You'll be my angel
I'll be your crazy boy, oh, yeahAll my lonely nights without you
Felt my empty arms around you
Am I crazy, or can I get you closer to me?
Leave the light on
I'll be over
You'll be my angel
I'll be your crazy boyI'll be your crazy boy
