One for the Road

Judas Priest

Where would you be without music?
You would be nowhere at all
We wouldn't be here doing this now
If you weren't having a ballOne for the road
Sharing our load
Show us the wayCan you imagine the silence
Not even the pink or white noise?
Well, thankfully we've got the license
To have us some fun with the boysOne for the road
Sharing our load
Show us the wayThe melody line's fascinating
The rhythm is something divine
It sends our adrenaline racing
To see you all moving so fineOne for the road
Sharing our load
Show us the way
One for the road
