

# Only Love

## Trademark

2 am and the rain is falling  
Here we are at the crossroads once again  
You're telling me you're so confused  
You can't make up your mind  
Is this meant to be  
You're asking me But only love can say  
Try again or walk away  
But I believe for you and me  
The sun will shine one day So I just play my part  
Pray you'll have a change of heart  
But I can't make you see it through  
That's something only love can do In your arms as the dawn is breaking  
Face to face and a thousand miles apart  
I've tried my best to make you see  
There's hope beyond the pain  
If we give enough  
If we learn to trust But only love can say  
Try again or walk away  
But I believe for you and me  
The sun will shine one day So I just play my part  
Pray you'll have a change of heart  
But I can't make you see it through  
That's something only love can do I know if I could find the words  
To touch you deep inside  
You'll give my dreams just one more chance  
To let this be our last goodbye But only love can say  
Try again or walk away  
But I believe for you and me  
The sun will shine one day So I just play my part  
Pray you'll have a change of heart  
But I can't make you see it through  
That's something only love can do That's something only love can do
