Sorry

Lene Marlin

Do you want to know, what I think of you
Do you want to know
Do you want to know, if I'm doing OK
Just ask and I'll say
I'll say the words that I've longed to speak
Have kept quiet for some time

I'm sorry, it's just too late
To get it all back, get back what we had
I'm sorry, it's just not right
We both know it wasn't meant to be like
This at all

Do you want to know, how I feel about you
Do you want to know,
Do you want to know, if I'm able to forget
There are times, I wish we'd never met

I'm sorry, it's just too late
To get it all back, get back what we had
I'm sorry, it's just not right
We both know it wasn't meant to be like
This at all
