

# Sorry

**Lene Marlin**

Do you want to know, what I think of you  
Do you want to know  
Do you want to know, if I'm doing OK  
Just ask and I'll say  
I'll say the words that I've longed to speak  
Have kept quiet for some time

I'm sorry, it's just too late  
To get it all back, get back what we had  
I'm sorry, it's just not right  
We both know it wasn't meant to be like  
This at all

Do you want to know, how I feel about you  
Do you want to know,  
Do you want to know, if I'm able to forget  
There are times, I wish we'd never met

I'm sorry, it's just too late  
To get it all back, get back what we had  
I'm sorry, it's just not right  
We both know it wasn't meant to be like  
This at all
