Transformers

Warren G

Microphone check one two
And you don't stop
Microphone check one two
And ya don't quit
Microphone check one two, one two
Let me clear my throat so I can do what I gotta do
It's express o, mandle that I'm stacked
Niggaz, tryin' to corner the market but I'm back
Bang to the boogie and boogie to the bang
It's G-Funk for life sewing up everything
Little Locs, pay attention, do I or should I have to mention
44 ways where the grass is greener from OG to BG
Is a misdemeanor, St. Mary's Hospital, 10:20 AM
On the street called Atlantic is where I began
Ola May, that's my lady, she made me on a street
Under the bridge called Hill, that's where she raised me
Transformers, busters in disguise
Transformers, busters in disguise
Transformers, busters in disguise
Transformers, busters in disguise
I say chitty chitty bang bang brothers wanna gang bang
Tryin' to represent but don't know about the gang thang
21st where it all begun, begun us on the corner
With the homies havin' fun I was a youngsta
Peepin' from the other corner seeing sets in the air
With big arms now I wanna be like them, and act like them
And stack like them and try to mack like them
Shit, it's hard being Warren G from the LB
And like the G's before, you know me
So I'm a stay down, for the east side
Not like you busters, transformers in disguise
Transformers, busters in disguise
Transformers, busters in disguise
Transformers, busters in disguise
Transformers, busters in disguise
One to twenty-one, and you know I ain't gonna stall
I gotta give it up with the homie roll call
OG cry baby and the homie big roc
Mooch on the side with the stockin' can ride

Big sugar mama, flee bag and
Lady roe guard and marathon they OG see
Salt Lake crew got little shorty Charlotte
But back to Louis with T-Bone is where I started
Livin' in the back in a little pink shack
If you know like I know then bounce to this track
Cerritos bounce to this, 21st bounce to this
I said Lewis bounce to this, Salt Lake bounce to this
Under the bridge bounce to this, Elm St. bounce to this
710 bounce to this, P A C's bounce to this
M L K bounce to this, Locc St. bounce to this
1 9 bounce to this, 20th bounce to this
Lemon bounce to this
