

# Heathens

## twenty one pilots

[Chorus]

All my friends are heathens, take it slow

Wait for them to ask you who you know

Please don't make any sudden moves

You don't know the half of the abused

All my friends are heathens, take it slow

Wait for them to ask you who you know

Please don't make any sudden moves

You don't know the half of the abuse[Verse 1]

Welcome to the room of people

Who have rooms of people that they loved one day

Docked away

Just because we check the guns at the door

Doesn't mean our brains will change from hand grenades

You'll never know the psychopath sitting next to you

You'll never know the murderer sitting next to you

You'll think, how'd I get here sitting next to you?

But after all I've said, please don't forget[Chorus]

All my friends are heathens, take it slow

Wait for them to ask you who you know

Please don't make any sudden moves

You don't know the half of the abused[Verse 2]

We don't deal with outsiders very well

They say newcomers have a certain smell

You have trust issues, not to mention

They say they can smell your intentions

You'll never know the freakshow sitting next to you

You'll have some weird people sitting next to you

You'll think "How'd I get here, sitting next to you"

But after all I've said, please don't forget

(Watch it, watch it)[Chorus]

All my friends are heathens, take it slow

Wait for them to ask you who you know

Please don't make any sudden moves

You don't know the half of the abuse[Bridge]

All my friends are heathens, take it slow

(Watch it)

Wait for them to ask you who you know

(Watch it)

All my friends are heathens, take it slow

(Watch it)

Wait for them to ask you who you know

(Watch it)[Outro]

Why'd you come, you knew you should have stayed

(It's blasphemy)

I tried to warn you just to stay away

And now they're outside ready to bust

It looks like you might be one of us
