

# If I Gave U 1 (feat. Avery Storm)

Nelly

It's like now matter what I try to do  
I just can't make her happy  
See it's like every other day is like she  
Throwing her shit at me  
A constant complain about every  
Single thing, her hard swagger to maintain  
Shorty driving me insane  
And in the beginning I  
Was in it, if you said it I was on it  
And even if I thought you give  
Me longer I was hoping  
I guess a nigger was hoping thinking about loping  
See I just call it focus, but some might call it open it's like  
I'm compromising everything I stood for I'm breaking that every nigger  
In the hood know one, way it sell,  
Two, never play yourself,  
Three, it don't matter girl  
I throw em out the window Cause of you  
Our windows are  
Backwards,  
I'd do anything you  
Say I'm here for you baby, don't  
Have to worry about it a little bit  
Goes a long way cause if I give you  
One, would you want two,  
If I give you two would you want three  
If I give you two would you want three Somebody say in relationships  
Would be like 50-50 how come I  
Feel I'm giving one but not  
Receiving any  
Why must you  
Make it so hard to play the part  
I put you in the light but yet you  
Leave me in the dark and every time  
I think of you before you go back  
And every time I think our train is  
Straight you jump track and you know  
What the fuck was that?  
You always doing that,

Let me turn the shit on you  
And see how you react  
It's like I'm compromising everything I stood for  
I'm breaking that every  
Nigger in the hood know  
One, way it sell  
Two, never play  
Yourself,  
Three, it don't matter girl  
I throw em out the window Cause of you  
Our windows are  
Backwards,  
I'd do anything you  
Say I'm here for you baby, don't  
Have to worry about it a little bit  
Goes a long way cause if I give you  
One, would you want two,  
If I give you two would you want three  
If I give you two would you want three If I give an inch watchu wanna the foot  
If I give the foot watchu wanna the jaws  
If I give the jaws watchu wanna mine  
And if I give them mine  
I wanna give you everything you want  
I wanna be anything you want  
I wanna be everything you need  
Am right here for you baby girl  
You don't have to worry about a thing  
Ooh, ooh, no, oh Cause of you  
Our windows are  
Backwards,  
I'd do anything you  
Say I'm here for you baby, don't  
Have to worry about it a little bit  
Goes a long way cause if I give you  
One, would you want two,  
If I give you two would you want three  
If I give you two would you want three
