

# Holdin' On (Volkan Uca Remix)

Pascal Junior

Hoppless drifring  
Try to sleep  
The time awake  
Away For you  
Oh tell were you going  
If you love me in some way  
Are you just to tired if this  
If you loved me in some way  
Holdin on  
Oh hanging on  
Hoppless drifring  
Try to sleep  
The time awake  
For you  
Oh tell me where you going  
If you love me in some way  
Are you just to tired of this  
If you loved me in some way
