

I've Never Been This Homesick Before

The Rambos

Vs1.

There's a light in the window, and the table's spread in splendor
Someone's standing by an open door.
I can see a crystal river, oh, I must be near forever,
I've never been this homesick before.

Cho.

See the bright lights shine! It's just about home time.
I can see my Father standing by the door.
This world's been a wilderness, and I'm ready for deliverance.
Oh, I've never been this homesick before.

Vs.2

I can see the family gather; sweet faces their all familiar.
No one's old or feeble anymore!
My lonesome heart keeps crying, think I'll spread my wings for flyin'
Lord, I've never been this homesick before.
