

Wave (feat. Antônio Carlos Jobim)

Frank Sinatra

So close your eyes, for that's a lovely way to be
Aware of things your heart alone was meant to see
The fundamental loneliness goes
Whenever two can dream a dream together You can't deny, don't try to fight the rising sea
Don't fight the moon, the stars above and don't fight me
The fundamental loneliness goes
Whenever two can dream a dream together When I saw you first, the time was half past three
When your eyes met mine, it was eternity By now we know the wave is on its way to be
Just catch that wave, don't be afraid of loving me
The fundamental loneliness goes
Whenever two can dream a dream together When I saw you first the time was half past three
When your eyes met mine it was eternity By now we know the wave is on its way to be
Just catch that wave don't be afraid of loving me
The fundamental loneliness goes
Whenever two can dream a dream together
