Look at You Girl

[Chris LeDoux](#)

Just look at you, girl
Standin' here beside me
Starlight on your hair
Lookin' like a dream
I dreamed somewhereAnd look at me, girl
You got me actin' just like a lover
In an old time picture show
And how I got the part
I just don't knowBut it's written
All across your face
Plain as it can be
You're the one
That I was lookin' for
Now you're all
That I can seeAnd you mean everythin' to me
And I'd do anythin'
To have you stay forever
I'm an ordinary man
But I feel like I could do
Anythin' in the world
When I look at you, girlJust look at you, girl
Walkin' here beside me
In misty mornin' light
I see my own reflection
In your eyesAnd you smile at me, girl
With eyes that tell a story
That words can never say
Tellin' me your love
Is gonna stayAnd we're standin'
Right together now
In everythin' we do
And if my world
Should come apart
I'll still be lovin' you'Cause you mean everythin' to me
And I'd do anythin'
To have you stay forever
I'm an ordinary man
But I feel like I could do
Anythin' in the world

When I look at you, girl
