Major Awards

Starflyer 59

There's a big time coming
It's got me running out
When they all talk something
I still get nothing outNo major awards
Well, that's not fairThere's a big time coming
I think I just ran out
'Cause they all talk something
I still get nothing outNo major awards
Well, that's not fairWho cares about your what ifs?
We're music sheriffs
We've got nothing hereWho cares about your what ifs?
We're music sheriffs
I stab the bull, should stand stillWho cares about your what ifs?
We're music sheriffs
We've got nothing hereNo major awardsThere's a big time coming
I think the word is out
