Nirvana

When I was an alien
Cultures weren't opinionsGotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better waitNever met a wise man
If so it's a womanGotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait
Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better waitJust because you're paranoid
Don't mean they're not after youGotta find a way
To find a way
When I'm there
Gotta find a way
A better way
Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait
Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait
Gotta find a way
To find a way
When I'm there

Gotta find a way
A better way
I had better wait
