

# Secrets

## Fields of the Nephilim

He rides on the crest of the wave  
His hands now running out  
He acts against the same way  
In as I run across town with doubt I forgive you, follow me  
I forgive you, follow me  
I'll forgive you, I'll forgive you I've seen the heart of man fall  
I've seen him crawl  
Secrets, I know where  
No one can find them  
Behind the darkened door I can't hear what she wrote me  
I can't see the movements she made  
'Cause I can see you, I can see you I've seen the heart of man fall  
I've seen him crawl  
Secrets, I know where  
No one can find them  
Behind the darkened door
