Prison Break

Darksiders OST

I could never say no
Making my veins glow
Take another one
Try to let the pain go
I know it?s killing me
It?s not my destiny
I float in outer space
I?m in another place
Then I black out
Wake up and I?m so afraid
This burden's suffocating
By a thread I?m barely hanging
All the nights, and all the lies you sold to me
I sacrificed and lost a time I?ll never see
You stared and you kicked me as I crawl
Watch me stand when you thought I?d fall
I?ll make this prison break
Suffering the same road
Stuck in the same clothes
When I try to run
Hunt me in my cage closed
My world is twist and tattered

My heart is beat and battered
Even when I?m shaken
About to cave in
My faith rises
I can feel my spirit raging
I pray and someone hears me
Today I?m done believing
All the nights, and all the lies you sold to me
I sacrificed and lost a time I?ll never see
You stared and you kicked me as I crawl
Watch me stand when you thought I?d fall
I?ll make this prison break
I won?t keep walking blind
I won?t let down my eyes
You won?t fool me this time
Take control of my life

Manifest in the light
I won?t lay down and die!
All the nights, and all the lies you sold to me
I sacrificed and lost a time I?ll never see
You stared and you kicked me as I crawl
Watch me stand when you thought I?d fall
I?ll make this prison break
