

# Open Up

## Clancy Eccles

They were looking for me when I came to  
They were looking for me when I came back  
Said, "Hey you, you're looking very suspicious"  
I said, "Relax man get off my back"  
I said, "Relax man get off my back"  
I, I, I ain't opposed to seeking justice  
But you're going about it all wrong  
The man you're looking for does not exist  
He's just a figment of the higher man's tongue  
And they say, "Open up we're coming inside  
You can't run so you may as well hide  
We got the place covered  
From head to toe, head to toe"  
"Open up we're coming inside  
What's it feel like to know you're going to die  
On the other side of the row  
On the other side of the row?"  
So they took me down to the gallows  
And this boy he said to me, "Why do you smile  
When the rope's around your neck?"  
I said, "I tell you boy when I get back"  
I said, "I tell you boy when I get back"  
I, I, I ain't opposed to seeking justice  
But you're going about it all wrong  
The man you're looking for does not exist  
He's just a figment of the higher man's tongue  
He's just a victim of the higher man's tongue  
And they say, "Open up we're coming inside  
You can't run so you may as well hide  
We got the place covered  
From head to toe, head to toe"  
"Open up we're coming inside  
What's it feel like to know you're going to die  
On the other side of the row  
On the other side of the row  
On the other side of the row?"  
Hands above your head  
Que le via bien  
Step out of line we'll and fill you with lead

How are we to know that you're not a liar  
Don't you see when have a job to do  
And our job is the law  
You fit the description of a criminal crosser  
We believe that he is you and that is your flaw  
That is your flaw, that is your flaw, that is your flaw  
That is your flaw, that is your flaw, that is your flaw  
And they say, "Open up we're coming inside  
You can't run so you may as well hide  
We got the place covered  
From head to toe, head to toe"  
"Open up we're coming inside  
What's it feel like to know you're going to die  
On the other side of the row  
On the other side of the row  
On the other side of the row?"
