# Feels Like Yesterday

## American Authors

I came across a torn up photograph
You looked amazing shot in white and black
But now its been so long since we fell apart
I've tried to vision what it'd be like now
If we had both tried, tried to work things out
We grew so worn and tired, did we give up way too fastBecause we had some good times,
But they don't last forever
We seemed to grow apart,
It never got much better
Oh it's good to see your face,
But I know things won't change
Though you seem so far away
Feels like yesterday
And we had some great nights,
Staying up together
We could read each others' minds
Now we're on different levels
Oh it's good to see your face,
But I know things won't change
Though you seem so far away
Feels like yesterday
Feels like yesterdayWe stared out at the world with the same gaze
We fought the same fight but still went separate ways
I'm trying to figure out exactly when things changed
Should we have spent our lives holding onto hope
Holding on to the memories from pictures we took
That don't mean anything, anymore
Because we had some good times,
But they don't last forever
We seemed to grow apart,
It never got much better
Oh it's good to see your face,
But I know things won't change
Though you seem so far away
Feels like yesterdayAnd we had some great nights,
Staying up together
We could read each others' minds
Now we're on different levels
Oh it's good to see your face,

But I know things won't change
Though you seem so far away
Feels like yesterday
Feels like yesterdayDon't you go
Don't you go
Don't you go
Don't you goBut will we ever feel that way again
We felt invincible, like it would never end
But now we're left with scars of who we areBecause we had some good times,
But they don't last forever
We seemed to grow apart,
It never got much better
Oh it's good to see your face,
But I know things won't change
Though you seem so far away
Feels like yesterdayWe had some great nights,
Staying up together
We could read each others' minds
Now we're on different levels
Oh it's good to see your face,
But I know things won't change
Though you seem so far away
Feels like yesterday
Feels like yesterdayDon't you go
Don't you go
Don't you go
