

Roll with Me

Montgomery Gentry

Wake up in the mornin, get to livin my life
Makin sure that Im all that I can be
Went to church on Sunday, there was a moment that came
I swear it was like the Lord spoke right to me
So now I'm slowin it down and I'm lookin around
And I'm lovin' this town and I'm doin alright
Aint' worried 'bout nothin except for the man I wanna be
I'm thinkin maybe it's time to be livin' a rhyme
When I'm singin a song about nothin but right
And it'd sure be nice if you would roll with me
Saw a kid last winter only twenty years old
Bein laid to rest while his mom stood by his side
Sure was hard to watch those tears roll down her face
Made me think how we all just have our time
So now I'm slowin it down and I'm lookin around
And I'm lovin' this town and I'm doin alright
Aint' worried 'bout nothin except for the man I wanna be
I'm thinkin maybe it's time to be livin' a rhyme
When I'm singin a song about nothin but right
And it'd sure be nice if you would roll with me
Well, who knows whats ahead
I think I'd rather not know instead
So now I'm slowin it down and I'm lookin around
And I'm lovin' this town and I'm doin alright
Aint' worried 'bout nothin except for the man I wanna be
I'm thinkin maybe it's time to be livin' a rhyme
When I'm singin a song about nothin but right
And it'd sure be nice if you would roll with me
Maybe it's time to be livin' a rhyme
When I'm singin a song about nothin but right
And it'd sure be nice if you would roll with me
If you would roll with me, if you would roll with me
I wake up in the mornin, get to livin my life
