

Leave Your Mark

Jessie Baylin

Leave your mark
Just leave your mark on me
Leave your mark
Just leave your mark on meSo if we part
I can still remember you
Leave your mark
Just leave it somewhere on meSo that I can always find you
When I have you on my mind too
Even when you're far awayDont leave your heart
I wouldnt know what to do
With such a part
Im no good at following throughLeave your mark
That is good enough for me
Leave your mark
Just leave it somewhere on meSo that I can always find you
When I have you on my mind too
Even when you're far awayAnd if I start to miss you
I know that Ill resist you
And then Ill turn awaySo leave your mark
Just leave your mark on me
Leave your mark
Just leave your mark on meSo if we part
I can still remember you
Leave your mark
Just leave it somewhere on meSo that I can always find you
When I have you on my mind too
Even when you're far awayAnd if I start to miss you
I know that I'll resist you
And then Ill turn awaySo leave your mark
Just leave your mark on me
Leave your mark
Just leave your mark on meLeave your mark
Oh, leave your mark on me
Leave your mark
Just leave your mark on me
Just leave your markLeave your mark on me
Oh, leave your mark on me
Leave your mark on me
