Flexing Muscles

Entombed

Flexing muscles
All pumped up
I'm showing off
TestosteroneMale masculine icon
Athletic godlike cloneOiled skin shinning
I enjoy what I see
Greek god superman
Full of testosteroneMale masculine icon
Athletic godlike cloneMy system is full of steroids
I don't care if it fucks with my head
Growing harder as I watch myself
Jerking off while flexingMy body is perfect and pure strength
Blood pumping hard in my veins
How easy it could be
To smash your head in with a single blowI'm gods gift to women
The ideal man
I'm building perfection
You envy the way I am
