What Do You Want

The Dreaming

I give you anything you wanted.
Anything to keep you satisfied.
But if you take this life for granted
I don't know how much longer we'll survive.

Chorus
What do you want from me?
Nothing is ever right.
What do you want from me?
It's not even worth the fight.
Nothing I do is good enough for you, I'm sick of trying.
What do you want from me?

Cut out the parts of me you hated.
And now I'm just an empty shell.
But self-improvement is overrated.
Every day I wish I feel the same.

Chorus
What do you want from me?
Nothing is ever right.
What do you want from me?
It's not even worth the fight.
Nothing I do is good enough for you, I'm sick of trying.
What do you want from me?

I'll take the blame and beg forgiveness.
Just tell me what the hell is wrong.
Don't just stare at me in silence.
Just before a reason to hold on.

Chorus
What do you want from me?
Nothing is ever right.
What do you want from me?
It's not even worth the fight.
Nothing I do is good enough for you, I'm sick of trying.
What do you want from me?
What do you want from me?
What do you want from me?

What do you want from me?
Nothing I do is good enough for you, I'm sick of trying
