Remembering

Thin Lizzy

I could wait and watch you
See it all unwind
I could wait and look at you
See you change your mind
Well, even though I'd enjoyed it
The truth to tell
Kid, I've got to leave
Those scenes behind
Here I go into a new day
Here I go into a new way
When you stood in that shady doorway
You winked your wicked eye
I looked at you in wide eyed wonder
Smiled and said hi
Just like you did woman with
That groovy guy that just passed by
Well, even though I adored you the truth to tell
Kid, I've got to leave those scenes behind
Here I go into a new day
Here I go into a new way
I guess I could call you my woman
But freedom I need
So down that road I'll be walking
Got to have time and space to breathe
Even though I loved you
The truth I've got to tell
I enjoyed every moment
But kid, you know darned, well, I've got to leave
Here I go into a new day
Here I go into a new way
