

Dali

Sjava

Mama ngethul'umthwalo
Uthando lwam ebe ngikunika Lona
Beku ngolwakho lonke emhlabeni
Sthandwa Sam ebengekho omunye
Bengithi uyithemba lami,ngob'iksasa lami bengil'bona kuwe
Bengithi sohlukani swa wukufa nawe kanti lutho
Bengithi uzong'vikela ezitheni zami kanti NGO bulawa wuwe
Sekusobala ukuthi okusho ngam okuhle you never meant it
Ngiy'slima ngiyaz
Every time you told me you love me and I believed it
Kodw'inthliziyo yam iyafuna uku'xolela kodwa inqodo ayivumi weeeeh

Ngibuz'ukuthi
Ingabe Yini le engaka aknika yona(Ã—3)
Into ongayitholi kimi
Ingabe Yini le engaka
Yini le angaka aknika yona(Ã—3)
Into enginganayo Mina

(Chorus)
DaaaaaliÃ—(2)sthandwa sami
DaaaaaliÃ—(2)sthandwa sami

Kanti Yini ungenza nje
Ka nje!ka njena?(Ã—2)
