

Snaggletooth

Motörhead

[Incomprehensible] Thought I was done for now, well, here's a big surprise
'Cos I keep coming back, I can't be exorcised
I'm like a nightmare, babe and I'm here to mess with you
I'll make your hair stand up and I'll make your lips turn blue I'm gonna raise your roof
I'll ring your bell and that's the truth
Speed don't kill and I'm the proof
Just call me Snaggletooth I've just been waiting here and you were late again
But I knew you'd be back, I hoped you'd bring a friend
I want you to believe that there is no way out
You're in the snake pit, babe, there's a lot of it about I'm gonna raise your roof
I'll ring your bell and that's the truth
Speed don't kill and I'm the proof
Just call me Snaggletooth So, now you know my name, I guess you realize
Don't try to fight it, babe, I got you hypnotized
And sometime late tonight, you'll hear the werewolf call
Gonna be old Snaggletooth, gotcha by the balls I'm gonna raise your roof
I'll ring your bell and that's the truth
Speed don't kill and I'm the proof
Just call me Snaggletooth
