

# Master of the Universe

## Panam Percy Paul

Master  
Master of the universe  
You are the emperor of the universe

You are the head over principalities  
You are the head over powers  
You are the head over rulers  
You are the master  
Master of the universe

From aga to age lord  
From coast to coast lord  
Though Satan may tempt  
You remain the master  
Master of the universe

Master  
Master of the universe  
You are the emperor of the universe  
You are the master  
Master of the universe  
You are the emperor of the universe  
(RPT you are the head)

We worship your name  
We worship your name  
King of the universe  
We worship your name
