

# Ooo La La La

## Teena Marie

Every time you come around  
I feel my world starts turning topsy turvy  
And I just can't fight the spin  
Baby, won't you listen to this love  
Whose heart's been missing and don't hurt me  
'Cause I'm falling your way again  
Am I weak, well, sometimes, I just can't hardly speak  
That I have to pinch myself to be sure  
That this love is more than I can endure  
Sweet thing, you've got me signing  
Ooo la la la  
It's the way that you feel when you know it's real  
Ooo la la la  
It's the warm that's inside when you're satisfied  
Ooo la la la  
It's a dream that lasts forever  
Ooo la la la  
Let's stay together, oh  
I can see it there  
That look upon your face is saying love's in making  
Boy, I know what's on your mind  
Love is for the lasting  
And it's yours just for the asking for the taking  
'Cause I'm falling your way this time  
Do I thrill, well, sometimes I get subliminal chills  
That I have to pinch myself to be sure  
That this love is more than I can endure  
Sweet thing, you've got me singing  
Ooo la la la  
It's the take to the sky on a natural high  
Ooo la la la  
It's the heaven that's sent when you're heart's content  
Ooo la la la  
It's a dream that lasts forever  
Ooo la la la  
Let's stay together  
Ooo la la la, don't ever go  
'Cause I love you so, I love you so, baby

Ooo la la la, don't ever go  
'Cause I'll surely die if you ever say goodbye, my baby  
You got me falling  
Falling for you, falling with you  
Falling to you, falling after you  
Falling  
Ooh, sweet thing, you've got me singing  
Ooo la la la  
Sweet thing, oh, you've got me singing  
Ooo la la la  
Sweet thing, oh, you've got me singing  
Ooo la la la  
It's the way that you feel when you know it's real  
Ooo la la la  
It's the warm that's inside when you're satisfied  
Ooo la la la  
It's a dream that lasts forever  
Ooo la la la  
Let's stay together  
Ooh, ooh  
Sweet, ooh, ooh, ooh, ooh  
Ooh, ooh  
Sweet thing, ooh  
You know everybody  
Sometimes you should just stop  
And take some time out to tell the one you love  
Just how much they mean to you  
Because you see  
Sometimes the needs of the one  
Outweigh the needs of the many  
And if you understand what I'm talkin' about  
Let me hear you say, yeah  
Let me hear you say, yeah, yeah, yeah  
Let me hear you say, yeah, yeah, yeah  
Let me hear you say, yeah  
Oh, I'm giving it up to you  
I said I'm falling
