I Know All What I Do

Jack Garratt

If I ever cause you
Destruction or pain
Fooled me for my actions
Fooled me for my brainFor I know, I know
All what I doIf I ever give you
Hurt or distain
Fooled me for destruction
Fooled me for your shameFor I know, I know
All what I do
I know, I know
All what I doIf I ever leave you
Your eyes will remain
The sweetest comfort
Is made
I could leave
But if I could hold you
Oh, I would stayFor I know, I know
All what I do
I know, I know
All what I doI know, I know
All what I do
