

# When I

## Devotion

(r.e. doeve, j.p. riturban, r. hidalgo, e. cruz, r. andal, i. pesigan) Verse i:

I sit and think about you

Your eyes are calling my heart

I wish I can give you my love

But I don't know where to start All that I ask...is to feel your touch

And have your hand in mine

To feel your heart beat next to mine

Would make my dreams come true Chorus:

When I'm lost will you find my way

When I cry will you ease my pain

When I fall will you lift me up

When I need someone to love Verse ii:

You know the times we shared (oooh)

We can never be compared (oooh)

To the one we'd have...if you were by my side

I vow from now to then

This love will never end

The feelings I hold inside Will you be the one to fill this emptiness

I know (I know)

I know...oh

Could never take (could never take)

Could never take your place Whoa....oh Chorus:

When I'm lost will you find my way

When I cry will you ease my pain (will you wipe the tears from my face)

When I fall will you lift me up

When I need someone Bridge I :

Inside I'm crying

So will you open up your arms

And I pray...that you'll be the one

You'll be the one You're the only one for me Bridge ii:

When I'm lost oh girl will you be there

When I cry oh girl will you be there

When I fall girl will you be there

When I need someone will you be there (when I'm lost oh girl will you be there)

When I'm lost will you find my way

(when I cry oh girl will you be there)

When I cry will you ease my pain

(when I fall girl will you be there)

When I fall will you lift me up

(when I need someone will you be there)

When I need someone to love (when I'm lost oh girl will you be there)

When I'm lost will you find my way

(when I cry oh girl will you be there)

When I cry will you ease my pain

(when I fall girl will you be there)

When I fall will you lift me up

(when I need someone will you be there)

When I need someone to love
