Breathe In (DJ Encore mix)

Frou Frou

I read you
And god I'm good at it
I'm so spot on
Chord, shapes in air
Go press that dissonance, if you dare
And you, breathing in
Finesse an innocent
From her partyingAnd I'm high enough from all the waiting
To ride a wave on your inhaling
And I'm high enough from all the waiting
To ride a wave on your inhaling
'Cause I love you, no
Can't help but love, you knowWhat part of no don't you understand
I've told you before
To just get off my case
This isn't happening
Stop this now
And I, where was I?
I have to be somewhere
Now where did I put it?And I'm high enough from all the waiting
To ride a wave on your inhaling
And I'm high enough from all the waiting
To ride a wave on your inhaling
'Cause I love you, no
Can't help but love, you knowIs this it, is this it, is this it, is this it
Is this it, is this it, is this it, is this itYes, hello we're back, and we're taking calls
Now what was the question?And I'm high enough from all the waiting
To ride a wave on your inhaling
And I'm high enough from all the waiting
To ride a wave on your inhaling
'Cause I love you, no
Can't help but love, you know'Cause I love you, no
Can't help but love, you know
'Cause I love you, no
Can't help but love, you know
