

# Back in School

## Mother Mother

I wanna get it  
But I got bad brains  
I'm what they like to call a special case  
I am a coal mine in a classroom I got detention cause I made a face  
Nobody believed me that it's stuck that way  
I am a stoner in the bathroom Back in school

Back in place  
Back in school  
Back in chains  
Back in school  
Back in my cage  
Back in school  
Back in place  
Back in school  
Back in chains  
Back in school

Back in my cage I gave an apple to my playground crush  
She told me that the apple wasn't bad enough

Aw shucks  
So young to be so cruel Back in school

Back in place  
Back in school  
Back in chains  
Back in school  
Back in my cage  
Back in school  
Back in place  
Back in school  
Back in chains  
Back in school

Back in my cage No, they don't teach the soul how to love No, they don't teach the soul how to love Back in school

Back in place  
Back in school  
Back in chains  
Back in school  
Back in chains Back in school  
Back in place  
Back in school

Back in chains  
Back in school  
Back in chains I wanna get it  
But I got bad brains  
I'm a what they call a special case  
Back in school  
Back in my cage  
I got detention cause I made a face  
Nobody believed me that it's stuck that way Back in school  
Back in my cage  
Back in school  
Back in my cage
