Release the Pressure

Leftfield

I've got to stand and fight in this creation
Vanity I know can't guide I alone
I'm searching to find a love that lasts all time
I've just got to find peace and unityRelease the pressure[Incomprehensible] 3.35I've got to stand and fight in this creation
Vanity I know can't guide I alone
I'm searching to find a love that lasts all time
I've just got to find peace and unity
(Bruin-dah!)Can you feel it? Release the pressure
Can you hear it? Peace and unityRelease the pressure
Release the pressureBuild's got this to keep your funky dance sway
Why your laws have left me
Out of the king and out of the rain
Transalt movement is takin' over
Am I inferior? Wow you are
