

Bad Drugs and Minor Chords

[Neil Halstead](#)

Verse 1:

When she was a little girl she travelled all over
this big wide world.

She says it's not what you do, it's the way
that you do it that really counts.

Chorus 1:
I'm not your rollercoaster girl,

I'm just a boy and I've got no sty-y-yle.

I'm the bullet, you're the gun

if you pull the trigger and we'll both be gone.

Verse 2:

It's not what you say, it's the way that you say it
that really hurts.

I know I'm not alone but I'm feeling so lonely,
don't you understand?

Chorus 2:

I don't know what you're saying girl,

I'm just a boy, and I got no style....

Chorus 3: Short shrift on the weekend wars,
bad drugs and minor cho-o-ords.

Short shrift on the weekend wars,

bad drugs and minor cho-o-ords

Piano Solo

Chorus:

I'm not you roller coaster girl,

I'm just a boy and I got no sty-y-le (5x)
