## **Hyperactive**

## Kill Hannah

Before the sun went down And before he knew what's going on A kiss storm like a meteor shower Her lips got hyperactiveSo hold her down So hold her down So hold her down So hold her downAfter the chandeliers went out In the big grand hotel downtown On her wrist like a beautiful flower Her lips got hyperactiveSo hold her now So hold her now So hold her now So hold her downGrab on tightly with your legs and arms 'Cause we are just the same as all those other animals We weren't put here just to wait, you know So hold on nowHyperactive Her lips are hyperactive Her lips are hyperactive

Her lips are hyperactive
So hold her down, so holdGrab on tightly with your legs and arms
'Cause we are just the same as all those other animals
We weren't put here just to wait, you know
So hold on, now
