Cry

IDMC

V1
I use to think, that I was all alone
Trying to find help, when all the help was gone
In the meantime OOH OOH
You were there waiting for me,
Patiently with a life line to give
You were always there
All I needed, was to call out to you
I didn't know, I was good enough for, You to love me tooHOOK
Hear my cry oh Lord, and listen to my prayer
From the ends of the earth will I cry to You
When my heart is overwhelmed, lead me to the RockV2
Now I know, you have been a shelter for me
And a strong tower from my enemiesRISE
In you will I trust, and not be afraid,
You were there, when my friends left me,
You were there to console me you are always thereHOOK
Hear my cry oh Lord, And listen to on to my prayer
From the ends of the earth will I cry to you
