

# A World Without Heroes

[Cher](#)

A world without heroes is like a world without sun  
You can't look up to anyone without heroes  
And a world without heroes is like a never ending race  
It's like a time, without a place, a pointless thing  
Devoid of grace Where you don't know  
What you're after  
Or if something's after you  
And you don't know why  
You don't know  
In a world without heroes In a world without dreams  
Things are no more than they seem  
A world without heroes  
Is like a bird without wings  
Or a bell that never rings  
Just a sad and useless thing Where you don't know  
What you're after  
Or if something's after you  
And you don't know why  
You don't know  
In a world without heroes In a world without dreams  
Things are no more than they seem  
A world without heroes  
Is like a bird without wings  
Or a bell that never rings  
Just a sad and useless thing Where you don't know  
What you're after  
Or if something's after you  
And you don't know why  
You don't know  
In a world without heroes In a world without dreams  
Things are no more than they seem  
A world without heroes  
Is like a bird without wings  
Or a bell that never rings  
Just a sad and useless thing Where you don't know  
What you're after  
Or if something's after you  
And you don't know why  
You don't know

In a world without heroes In a world without dreams  
Things are no more than they seem  
A world without heroes  
Is like a bird without wings  
Or a bell that never rings  
Just a sad and useless thing Where you don't know  
What you're after  
Or if something's after you  
And you don't know why  
You don't know

In a world without heroes In a world without dreams  
Things are no more than they seem  
A world without heroes  
Is like a bird without wings  
Or a bell that never rings  
Just a sad and useless thing
