

# Hey Lover

Susan Maughan

Hey, hey, hey, lover  
You don't have to be a king  
Hey, hey, hey, lover  
You don't have to have a thing

For I'll be satisfied  
Long as you are my guy  
Just give me  
True love and understanding  
True love and understanding

Hey, hey, hey, lover  
You don't have to be a star  
Hey, hey, hey, lover  
I want you just the way you are

For love is just the same  
Without fortune and fame  
Just give me  
True love and understanding  
True love and understanding  
For the rest of my days

No, you don't have to worry  
'Bout putting diamonds on my hands  
Cause if you really, really love me  
In my heart, you'd be a big man

Hey, lover, treat me good and nice  
And things will be alright  
Just give me  
True love and understanding  
True love and understanding  
For the rest of my days

Hey, hey, hey, lover  
You don't have to be a king  
Hey, hey, hey, lover  
You don't have to have a thing

For I'll be satisfied  
Long as you are my guy  
Just give me  
True love and understanding  
True love and understanding

For the rest of my days
