

# Follow Me

## John Denver

It's by far the hardest thing I've ever done  
To be so in love with you and so alone Follow me where I go, what I do, who I know  
Make it part of you to be a part of me  
Follow me up and down all the way and all around  
Take my hand and say you'll follow me It's long been on my mind you know it's been a long, long time  
I'll try to find the way that I can make you understand  
The way I feel about you and just how much I need you  
To be there where I can talk to you when there's no one else around Follow me where I go what I do, who I know  
Make it part of you to be a part of me  
Follow me up and down all the way and all around  
Take my hand and say you'll follow me You see, I'd like to share my life with you and show you things I've seen  
Places that I'm going to places where I've been  
To have you there beside me and never be alone  
And all the time that you're with me then we will be at home Follow me where I go what I do, who I know  
Make it part of you to be a part of me  
Follow me up and down all the way  
Take my hand and say you'll follow me
